Texas Rangers

Globe Life Field
Arlington, Texas

Texas Rangers 2024 season is near! Opening Day is Thursday, March 28. It is considered a premier game and we cannot order tickets. The only way to guarantee tickets to Opening Day is to purchase a season plan through the Rangers. We can make calls to obtain them through other sources but they will be sold at a premium price.

However, you may begin ordering tickets for other games beginning the first week in March. The Texas Rangers have a dynamic pricing structure. This means there is a base price for every seating area, and then based on supply and demand of any given game the price of tickets could go up (if the demand is higher). This also means that if you order tickets for a game one day, and then want to add tickets to that same game at a later date, the price could theoretically be different at that time. **Contact your concierge for a full schedule, seating map, discount link, and promo code!**

New at the Fort Worth Zoo

New Year’s Day was especially memorable at the Fort Worth Zoo as a baby giraffe was born. Because he was born in the wee hours of January 1, his name

is a nod to the bottle of bubbly, Korbel. This “little big guy” is 6 feet 3 inches and weighs 165 pounds. Korbel spent the first few weeks of his life bonding with his mom, Corrie, and meeting other members of the herd. He is fond of grapevine wreaths and has enjoyed catching glimpses of himself in a hanging mirror. The zoo will announce when baby Korbel will make his public debut.

The Fort Worth zoo is also proud to announce the birth of a female gorilla successfully delivered via emergency cesarean at the Zoo on January 5, after life-threatening complications impacted the health of the mother. Mom Sekani was exhibiting signs of preeclampsia, a serious blood-pressure condition that can occur during pregnancy in both humans and primates. This is the third gorilla birth in the Zoo’s 115-year history, but the first gorilla to be born via cesarean section. Jameela, which means “beautiful” in Swahili, was born four to six weeks early requiring life-saving care for the mother and premature infant gorilla, involving medical experts from the human world. Zoo experts are optimistic that Jameela will ultimately be an integrated member of the troop of seven, which is eight including her. **Contact your concierge for a link and promo code for discounted tickets!** For more information and to stay up to date on Jameela’s story please visit www.fortworthzoo.org/premature-gorilla.
