Nancy Best Fountain Performances Klyde Warren Park

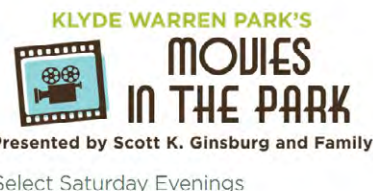

2012 Woodall Rodgers Freeway
Dallas, TX 75201

The Nancy Best Fountain is an interactive water feature that is free and open to the public, thanks to the generosity of donors. It features a 5,000-square-foot splash pad, which can accommodate hundreds of children at a time. It is on every day from 8:00am – 10pm when the temperature is above 40 degrees. Each night from 7-10 PM, the Fountain performs a medley of music that is choreographed with artful water movements and lighting. **PERFORMANCES AFTER SUNSET ARE ILLUMINATED.** The Fountain also performs a non-illuminated version of the show at 12:04 – 1:00 PM daily for your lunchtime enjoyment. Guests are encouraged to play in the water—even during the evening performances—making it one of the most unique fountains in the world.

<https://klydewarrenpark.org/>

Fountain Background

Like all fountains in the Park, the Nancy Best Fountain is powered by recirculated water, which goes through a continuous filtration and sanitizing process. Fluidity Design Consultants, the firm behind the Park's other water features, created the Nancy Best Fountain. The design was inspired by the beloved green space, with three 15-foot stainless-steel "trees," 14 "rosebud" bubblers, and 106 small nozzles that create giant "leaves" when they are working in unison. In addition to Fluidity, Bjerke Management Solutions, McCarthy Building Companies, and Jacobs comprised the leadership team for this project. The stunning trees were fabricated locally by Big D Metalworks. In addition to the Fountain, guests are invited to enjoy the large green space, free games and the Park's bistro tables and chairs—perfect for indulging in La Parada cocktails or a food truck supper. Restrooms are also available.

From blockbusters to animated favorites, from musicals to comedies, you won't want to miss any of these fun, free, family-friendly flicks in the 2023 lineup presented by Scott K. Ginsburg and Family. Grab a space on the lawn, enjoy a food truck picnic and let the cinematic fun begin. All movie screens provided by Ultimate Outdoor Entertainment.
